

Pure Air 120™

Pure Air 120 is a specialised replacement bariatric mattress, designed specifically to give pressure relief and optimum therapy for heavier, plus size patients.

This top of the range, premium dynamic bariatric mattress comes with a 3 year warranty, giving you total peace of mind.

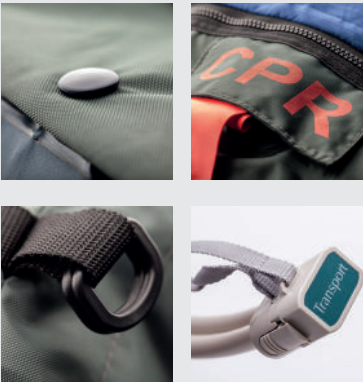

It's suitable for patients up to, and including, very high risk of developing pressure ulcers or who have existing tissue damage.

As standard Pure Air 120 pressure relieving mattress comes at 120cm wide but it can be made to order in 135cm and 150cm widths.
